

Hello, My name is Freda Make the Bucks and I too LOVE the jewelry and a sale but I really needed some extra money so I decided to become a jewelry lady!!

Ladies—do you realize that I make 50% of everything I sell every time I go out to do a show? I do!! So if I have a \$600 show, I make \$300!!!!

AND I am paid the night of my show! No waiting around for a paycheck!! If I want 3 paydays in one week I just hold 3 shows!! It's so easy!!

The best part is that I have NO quotas at all so I can work around my family and my full time job!!

I can sell wherever I want and I carry NO inventory!! Premier just ships the jewelry and I make NO deliveries!!

All I do is “Make the Bucks”!!
